Fire Driver Joseph "Jeff" Trota was a Waterbury Firefighter who sadly passed away at 45 years of age after a long hard fight against cancer. Jeff was a loving and dedicated family man to his wife Diane of 20 years; 19 year old son; Josh, 17 year old daughter; Danielle and 12 year old daughter, Karly. He enjoyed spending time with his family and friends and was an inspiration to them all. Please help us provide his family with some much needed financial assistance. We are selling memorial t-shirts in an effort to help them, the order form is below, please tear it off on the dotted line and send it in with your order. Donations will also be accepted. Please make checks payable to "THE TROTA FAMILY FUND". Do not send cash. Thank you for your help in advance from Jeff's family and friends.

Jeff died with 21 years seniority. During the first 17 years that he served on the Waterbury Fire Department, firefighters were pension eligible after 20 years of service. In 2001, with 3 years remaining to become eligible, 5 years were added to the minimum service required to become fully vested. Jeff was diagnosed with cancer soon thereafter. He passed away in May 2005. In 3 years, Jeff's family will receive about half of his pension, which is about 25% of a firefighter's salary. They will receive no payment until then. Please help them.
